DCE PARENT VOLUNTEER REGISTRATION FORM

The staff at Don Campbell Elementary School appreciates the willingness, talents and time that parents contribute to helping children succeed at school. Our focus in using volunteers is the children, and we make decisions which will help children in all aspects of their school life and learning in particular. With this focus in mind, we ask that the following be agreed to when parents volunteer in school related activities:

1. that volunteers understand that they are directly responsible to the staff member and that the staff member is the one authorised to make decisions for the individual or the whole group so that the best learning can occur in a safe setting;
2. that information regarding any particular child, his/her progress or behaviour, and the proceedings in the classroom must be kept in the strictest of confidence between volunteer and the staff member;
3. that the role of the volunteer is to enhance instruction under the direction of the staff member;
4. that other people or siblings of school age children do not accompany the parent during their volunteer time at the school (this can become very distracting for students).

Thank you for taking time to assist children. Please sign below to indicate that you will adhere to the above conditions.

I am interested in volunteering at Don Campbell Elementary School and agree to abide by the above conditions. Orientation will be provided as needed.
