- Principal's Report.
  - School Ed Report. The full report can be found on our [website](#). We have developed a [mission and vision](#) inspired by Don Campbell. We also took ideas from our current teachers, students, and parents. Our Survey Results are in the School Ed Plan and well as our strategies to meet the three district goals: Literacy and Numeracy, Equity, and School Completion.
  - Neufeld Training. All staff in RDPSD is taking the training. The training is focused on how to deal with aggression in children and the root cause of aggression (frustration).
  - Family Nights. Last year we had a movie night, caroling, Ghost decorating. We may have a bbq evening later in the year. We are hoping that our playground is ready to go by then.
  - Wish List. We would like to propose that the School Council supports the school by contributing \$5/student to support Field Trips (\$2 000ish). In addition, we would like help with the cost for the bus for swimming (\$2000 or 3 000). Finally, the Christmas Concert costs about \$5 000. We are hoping to offset some of these cost by having raffles, etc. We will also look at streaming the concert.

### **Old Business**
